Come celebrate the Bucket Regattas' Silver Anniversary with the best Newport Bucket ever! We've planned a full schedule of racing and shore-side fun in Newport. There's also a pre-Regatta Thursday-evening Bucket Rendezvous in Martha's Vineyard and a Friday Feeder Race to Newport. Don't miss this high point of the New England yachting season!

- Over 20 yachts have entered, and only a limited number of openings remain. The entry deadline is August 5.

J-Boats *Velsheda and Ranger*

Moonbird (37m Dubois/Fitzroy)

Rebecca (42m Frers/Pendennis)

Hyperion (47m Frers/Royal Huisman)

Whisper (35m Fontaine/Holland Yachtbouw)

- To add to the spectacle, there'll be a challenge race within the Regatta between the two swift W-76 sloops designed by Joel White. With the boats' owner Donald Tofias at the wheel of *White Wings* and Captains David Murphy and Timothy Laughridge sailing *Wild Horses*, it's sure to be a neck-and-neck horse race!

- The regatta is for yachts over 90 ft. LOA. A few exceptional yachts of 76-90 ft., including the W-76s, are also invited to take advantage of this year's one-time invitation to be in the Demi Class.

THE BUCKET BOOK

To celebrate the forthcoming 25th Anniversary of the Bucket Regattas from 1986-2011, the organizers have asked Captain Timothy Laughridge, one of the original Bucket directors, to oversee the publication of a book highlighting the Regattas' growth over the years. Concepts Publishing, Inc. has been commissioned to produce the book.

From Nantucket to St. Barths to Newport, the Bucket has attracted a growing coterie of devoted participants. From its inception through its evolution over the years, the book includes memories and anecdotes from those involved- organizers, sponsors, owners, guests, crew, and spectators. The Bucket Book is beautifully illustrated with spectacular photography- a picture is indeed worth a thousand words-and photos of the Bucket will bring the event to life in ways that no prose can touch.
